

Baseerah

International School

2023 - 2024

Welcome

To Baseerah International School

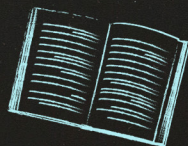

WE CARE TODAY, THEY LEAD TOMORROW

Baseerah International School is founded in 2010 in Malaysia is dedicated to providing exceptional international education. Our curriculum seamlessly integrates comprehensive academic knowledge with the demands of the modern era, all while preserving an authentic Islamic identity.

We pride ourselves on fostering an inclusive and ethical learning environment, with gender-segregated classes that align with Islamic values. This approach strengthens Islamic and moral principles in our students, preparing them for success in today's dynamic world while maintaining their deep cultural and religious roots.

Baseerah International School offers a globally recognized Cambridge education system, dedicated to nurturing future generations who are creative, effective, and morally upright. Our students are instilled with pride in their cultural identity and equipped to lead the nation across various fields on the international stage.

Our Vision and Mission

At Baseerah International School, our mission is inspired by a unique vision that integrates religious and secular knowledge. We strive to blend moral values with global standards, creating an exclusive model of Islamic education alongside international schooling. Our goal is to develop well-rounded individuals who excel academically and uphold strong ethical values.

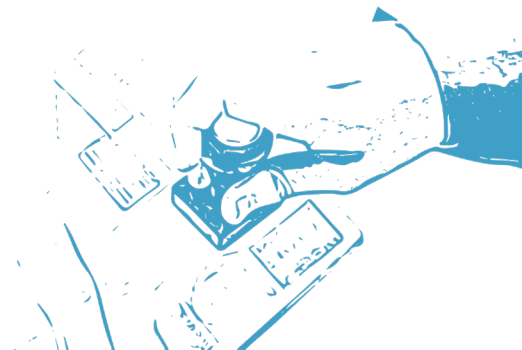

School Offerings

- Full Spectrum Education: From kindergarten to A Levels, we offer a complete range of educational stages to ensure continuous growth and development.
- Visa Support: We facilitate student visas for our students and one parent, ensuring a smooth and supportive transition to our school community.

At Baseerah International School, our guiding principle is: «**We care today, they lead tomorrow.**»

An Inclusive International Community

Baseerah International School is proud to represent a truly international community with students hailing from over forty nationalities. We foster a multicultural and inclusive environment that combines Islamic values with a globally-recognized education system, creating a harmonious and enriching educational experience for all our students.

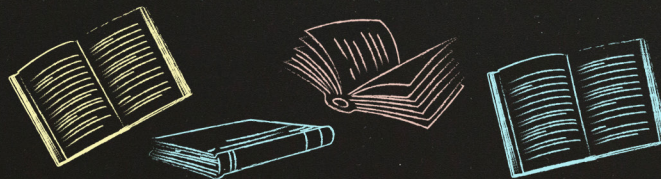

Teachers' Training during Academic Year 2023/2024

At Baseerah International School, we prioritize continuous professional development to uphold high educational standards and enhance our teaching staff's skills. During the academic year 2023/2024, our teachers engaged in a series of impactful training programs aimed at boosting their growth and classroom effectiveness.

Comprehensive Curriculum

Our curriculum is designed to be holistic, addressing the intellectual, emotional, moral, and linguistic development of our students. Language is the cornerstone of our education system, and our curriculum includes:

- British Curriculum (Cambridge) for English Language, Chemistry, Physics, Biology, Islamiyat, Additional Mathematics, Mathematics, Science, Business Studies, ICT, and Computer Science: Providing a robust foundation in essential academic disciplines.
- Arabic Language Curriculum for Native Speakers: Aiming to build a

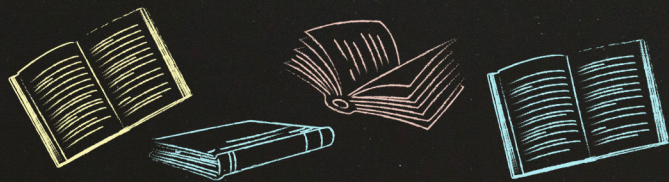

strong linguistic foundation.

- Arabic Language Curriculum for Non-Native Speakers: Comprised of nine progressive levels.
- Malay Language Curriculum for Native Speakers: Aiming to build a strong linguistic foundation.
- Malay Language Curriculum for Non-Native Speakers: Starts from beginner level and ends with advanced levels.
- Islamic Education, Quran, Islamic Civilization, and Geography: Ensuring a deep understanding of cultural and religious heritage.
